Could you join us in the ministry of hospitality?

Church Mission Week(s) – QPBC is joining the Mission's evening meal Drop-in again on **WC 6 October**.

The table has always, in every human society, been the place where we listen to others and learn of our histories. A place where our own inner narratives are formed as others speak of who we or our people are. We find our places in this world at the table.

The Ministry of the Table

- The table is where we **listen, share** stories, and **find belonging**.
- **Hosting meals breaks down hierarchy** in charitable work.
- The table is a place of **presence, healing, and community**.
- The table a **place of intimacy and encounter**.
- Through food, we **express love and care**.
- **Hospitality** at the table **reflects Jesus' ministry**.

Could you join us as a regular volunteer?

Volunteer – the Mission basically runs on the support of our amazing volunteers, people just like you and me, who give a few hours a week or every other week, volunteering.
